LAB Programs

The Florida Aquarium homeschool lab programs have been developed with the intent to fully immerse your child in an interactive, inquiry based learning environment. This year we will be offering 3 new lab programs. Each lab will be developed to meet the learning needs of each age group.

- December 15th **Ocean Investigators: Mystery at Fantasy Island**
- February 23rd **Ocean Investigators: Case of the Pirates Treasure**
- April 27th **Ocean Investigators: Secret of Sand Key**

Lab Program Pricing:	Members price: \$15.00	Non-member price: \$25.00
Times:	12:30PM-1:30PM	2:30PM-3:30PM

Field Experiences

Sometimes being in the classroom just isn't enough. The education staff fully believes that education in the field can lead to some of the most rewarding learning opportunities. This year we are offering 3 new field experiences. We hope to see you there!

- | | | |
|---|-----------------------|---------------------------|
| • November 17th: Lettuce Lake | Member price: \$15.00 | Non-member price: \$25.00 |
