Vestibulo principal, tiendas, restaurantes y The Splash Pad

- 1 WETLANDS TRAIL** Take a hike on Florida's Wetlands Trail and see alligators, otters and free-flying birds. Invasive pythons live here too!
- 2 JOURNEY TO MADAGASCAR** In this unique and beautiful place, you'll see lemurs, chameleons, geckos, and a colorful Indian Ocean reef. You can even crawl inside a tree full of hissing cockroaches!*
*Use lobby elevator for wheelchair access to Madagascar.
- 3 Bays & Beaches** Have up-close encounters with a 300 pound goliath grouper, spiny lobsters and a touching experience at Stingray Beach.
- 4** Touch bizarre creatures that have no backbone: anemones, sea cucumbers, sea stars and more!
- 5 CORAL REEFS** Go deeper into the sea, through coral tunnels and caves, to a vast window into the world of sharks, reef fishes and moray eels.
- 6 DRAGONS** See real sea dragons of Australia and their seahorse cousins.
- 7 WAVES OF WONDER** Enjoy the amazing colors and adaptations of the ocean, with amazing jellies, an octopus, and featuring the Heart of the Sea exhibit, which showcases the Aquarium's amazing conservation work with sharks, sea turtles and coral.
- 8 THE SPLASH PAD** Explore a rainforest-themed playland with larger-than-life cool creatures! Get drenched with dump buckets and waterworks or burn some energy on net climbs and slides. Toddlers even have their own play zone.
