Galleries and Exhibits

1 WETLANDS of FLORIDA

Take a hike on Florida's Wetlands Trail and see alligators, otters, free-flying birds and even an invasive python.

2  In this unique and beautiful place, you'll see lemurs, turtles, geckos and a colorful Indian Ocean reef.
 *Use lobby elevator for wheelchair access to the third floor to Madagascar.

3 **Bays & Beaches** Get a close-up view of spiny lobsters and garden eels, and have the opportunity to touch stingrays at Stingray Beach.

4 **No Bone Zone** Touch bizarre creatures that have no backbone: anemones, sea cucumbers, sea stars and more!

5  Go deeper into the sea, through coral tunnels and caves, to a vast window into the world of sharks, reef fishes and moray eels.

6  Get to know some of the creatures that move about the colorful forest-like coral reefs.

7 **Waves of Wonder** Enjoy the amazing colors and adaptations of the ocean, with amazing jellies, an octopus, and our Heart of the Sea habitat.
