

The Corporate Connect program consists of a leading group of companies that provide critical unrestricted operating support for the ongoing work of The Florida Aquarium’s animal care, conservation and education programs. In recognition of the support they provide, Corporate Connect members receive a variety of benefits annually based on membership level. These include yearly admission benefits for employees and valuable incentives for company executives, clients and staff. Connect with The Florida Aquarium by joining the committed group of companies that are furthering this important work through generous support.
