

# JOIN THE CHAMPION CIRCLE

Through philanthropy, we are able to save more wildlife, build deeper connections to nature and empower the next generation of problem-solvers. We are a teaching resource, conservation leader, convener, collaborator and neighborhood partner. We pride ourselves on being THE Florida Aquarium, yet strive make an impact worldwide.

The Florida Aquarium welcomes more than 840,000 visitors annually and is repeatedly voted as one of the top Aquariums in the country. We are, however, decidedly more than just another attraction. The Florida Aquarium provides an unparalleled personal experience that creates wonder and encourages conservation-mindedness through immersive learning. Our team continues to directly engage guests with our robust animal ambassador and learning programs, as well as our conservation initiatives. The Florida Aquarium invites you to become a part of our team.

The Champion Circle is a committed group of individuals who show their support of The Florida Aquarium through annual gifts of \$2,500 or more. Alongside other donors, animal lovers and conservation enthusiasts, you can help impact change for the Aquarium, our community and our blue planet. With four different levels to choose from, members will receive exclusive benefits and recognition opportunities for providing unrestricted funding to support the Aquarium's mission. Join the Champion Circle today to showcase your commitment to saving wildlife and wild places.

The Florida Aquarium's mission to entertain, educate and inspire stewardship of the natural environment relies on private support from our community.
